We opened the doors to our clinic 11 years ago, and it has organically grown to become the highest rated acupuncture clinic in Daytona Beach. Our team consists of four acupuncture physicians, two massage therapists and three front desk staff. With our ever-growing patient base, we're ready to bring on another skilled set of hands.

Family Tree Acupuncture is a full-service Chinese medicine clinic in the heart of historic downtown Daytona Beach, a short walk over the bridge to the World's Most Famous Beach. We treat a wide range of individuals and conditions and are registered as a Community Care provider with the VA, serving a large population of veterans. Our 2000+ square foot space includes six private treatment rooms, a beautiful reception area, four office/charting nooks, a full kitchen, and a parking lot. We offer a raw herbal pharmacy along with both powdered and patent formulas as well as a variety of supplements. We use electronic health records, an online scheduling system, an insurance billing service, and we have an exceptionally skilled front desk team that helps us make it all happen. Our patient base is a mix of insurance, VA, and cash pay patients. We've established a solid presence in our community through word-of-mouth, our numerous 5-star reviews on Google and Yelp, radio interviews, workshops, a social media presence and an SEO-optimized website.

We are looking for another team member who:
