Space available in quaint two treatment space in great location...great opportunity for anyone wanting to down size and/or begin their own client base.

My massage therapist has retiring...room available now! The referrals between the two of us worked well. I am looking for 3 experienced Lic. MT to do flex hours, I already have one, so need two more...or one willing to take rest of the hours, establishment license already on premise. I am an Acupuncturist.

Available space in Central Florida location...on 3722 Conway Road, Orlando, FL. It is a free standing building approx. 580 sq feet. The room available is approx. 12 X 10, \$200 per month, (or \$400 for someone who wants rest of the hours) electric and water included. It's an historical site but not registered as such, quaint and charming with old oaks trees. Newly remodeled and painted. Access to waiting room, kitchenette, and ADA bathroom. All one floor. Cable and phone line available. Month-to-month with 30 day notice and security deposit.
