

Master Tung's Acupuncture Seminar

**-Dr.Yin's Magic Applications-
--16 CEU GIVEN**

Master Tung's Acupuncture with theories and clinical experiences is a remarkably effective, easy-to-learn system of acupuncture with immediate and lasting results by using 1-2 needles. That's the reason why Master Tung's Points are fondly referred to as 'magic'. You've used these techniques or seen them in clinic. Now it your turn to learn these highly effective point protocols to expand your knowledge and help your patients see the results in your future practice!!

To be held:

Saturday, April 2nd & Sunday April 3rd

9:00 am -- 5:00 pm

Instructor: Dr.Yin

Dr. Chengchao Yin earned her MD in China and has over 15 years of experience working with both Western and Eastern medicine in treating over 150,000 Patients in China and United States. She has been using the theories, techniques and applications of Master Tung points to successfully treat wide array of musculoskeletal , nuerological disorders, gynecological problems and internal medicine disorders as so on. Through clinical research, she has further developed these techniques and applications with high success rates.

Fee: Regular Tuition \$485.00 and Full time student & Faculty with ID\$385.00, Returning students/alumni/practitioner \$120 for 16 CEUs!

payable by check to Chengchao Yin, cash also acceptable

Money is due by **March 25th** to ensure proper head count for the class.

If there is a special circumstance please contact Dr. Yin at

(407)-256-3542 or chenchaoyin@hotmail.com

We are limiting class size to make sure everyone gets some hands-on experience and it is not an uncomfortable learning environment.
