

## **\*Master Tung's Acupuncture Seminar\***

**-Dr. Yin's New Applications-**

16 CEU PROVIDED! (RETURNING GRADUATES FOR \$100)

Master Tung's Acupuncture with theories and clinical experiences is a remarkably effective, easy-to-learn system of acupuncture with immediate and lasting results, especially for some stubborn conditions which the traditional points don't help much (eg. Headache, heel spur). You've used these techniques or seen them in clinic. Now it your turn to learn these highly effective point protocols to expand your knowledge and help your patients see results!!

To be held:

**Sunday, October 3<sup>rd</sup> & Sunday, October 10<sup>th</sup>**

9:00 am -- 5:00 pm

**Instructor: Dr Yin**

Dr. Chengchao Yin earned her MD in China and has over 12 years of experience working with both Western and Eastern medicine specializing in a variety of pain, cardiopulmonary and gynecological diseases. She has been using the theories, techniques and applications of Master Tung points to successfully treat wide array of musculoskeletal, neurological disorders, gynecological problems and internal medicine disorders as so on. Through clinical research, she has further developed these techniques and applications with high success rates.

Fee: Regular Tuition \$425.00

Full time student with ID\$285.00 payable by check to Chengchao Yin, cash also acceptable

Money is due by **September 25th** to ensure proper head count for the class.

If there is a special circumstance please contact Dr. Yin at  
(407)-256-3542 or chenchaoyin@hotmail.com

Spaces are filling up!! We are limiting class size to make sure everyone gets some hands-on experience and it is not an uncomfortable learning environment.
