

New Gua Sha Therapy for Healing & Esthetics Seminar

-Dr. Yin - (Specific guasha tool included! Worth \$15)

---You are already familiar with the use of Gua Sha for wind-cold and muscular pain, but do you know that Gua Sha also has applications for facial , body rejuvenation and weigh loss as well? Techniques for removal of metabolic wastes to promote shrinking of enlarged pores, wrinkle reduction, acne and smoothing out of facial puffiness and bags will be taught.

In addition, weight loss and body re-contouring protocols, and more in-depth medical uses of Gua Sha will be presented.

---Expand on your knowledge and use of Gua Sha!

Treat and prevent a variety of internal diseases, including pulmonary and digestive disorders!

---Offer your patients another effective treatment modality!

To be held:

Sunday September 19th

9:00 am -- 5:00 pm
