Business or Organization Name: Encircle Acupuncture

Address: 805 Woodland Street, Suite 340, Nashville TN 37206

Phone Number: 615-457-1979

Title or Position Available: Licensed Acupuncturist Wanted

Job Description or practice description: Encircle Acupuncture in Nashville, Tenn. is hiring! We are a well established community acupuncture clinic with two locations and we're looking to add a part-time or full-time acupuncturist to our team.

About the position

An acupuncturist at Encircle provides acupuncture in a low-cost, high-volume community setting. This is a fast-paced clinical setting. We treat up to six patients per hour (sometimes more!), utilizing streamlined communication and efficient treatment strategies. Our acupuncturists focus solely on clinical care, and are not expected to market their practice or take on the responsibilities of running a business. Our acupuncturists are w-2 employees, not independent contractors, and earn predictable pay with a consistent work schedule. We provide administrative support so you can focus on taking care of patients.

About Encircle Acupuncture

Established in 2010, Encircle Acupuncture was Nashville's first community acupuncture clinic. It's our mission to make acupuncture affordable and accessible for as many people as possible. We're one of the busiest community acupuncture clinics in North America with two locations and a team of multiple practitioners. We are a non-competitive, teamwork-oriented environment where all practitioners collaborate, support one another and bring our best to help our patients.

The right candidate

The right candidate for this position will:

Feel comfortable working in a fast-paced environment, seeing multiple patients per hour, and utilizing distal acupuncture techniques

Would rather focus on patient care than running and marketing a business

Possess excellent communication skills, with the ability to focus and guide patients through the treatment process without feeling rushed

Enjoy working as part of a team and learning from colleagues

Have the desire to see a high volume of patients, to be a generalist rather than a specialist, and genuinely enjoy working with a variety of different people and conditions

Be available for evening and weekend shifts

Be licensed to practice acupuncture in the state of Tennessee or eligible for licensure

Pay and benefits

All acupuncturists at Encircle are paid a competitive hourly wage. This position also includes the following benefits:

Paid time off for vacation, sick days and holidays

401(k) retirement plan with employer match

Free unlimited acupuncture for the employee plus a designated friend or family member

Discount on herbal and retail products

Paid malpractice insurance for all work done at Encircle

Reimbursement for Tennessee acupuncture license renewal and NCCAOM renewal fees

Yearly Continuing Education allowance

Annual raises and bonuses
