Business or Organization Name: First Diagnostic Inc d/b/a Dr. Robert Weatherwax

Address: 187 Sabal Palm Dr., Suite 200 Longwood, FL 32779

Phone Number: 407.786.7246, option #1

Title or Position Available: Acupuncturist

Job Description or practice description: We are a multi-disciplinary practice that focuses on functional chiropractic and sports medicine, massage therapy and nutritional counseling in the affluent Sweetwater/Sabal Point area of Longwood, FL. Dr. Weatherwax has been serving patients over 20 yrs in the Central Florida region and has a unique niche cash practice as a movement restoration and pain reduction specialist. We have a high concentration of athletes in our practice; however, we serve the entire life spectrum. Our youngest patient is 18 months and oldest is well into their 90s.

We are looking for a licensed, insured, mature, patient and business oriented acupuncturist to complement our team who has a great work ethic and can operate independently. While you could easily build your base with our clientele, self-promotion is expected outside of the office as well. You would have your own treatment room that includes a treatment table, desk and cabinet for supplies. You would be an independent contractor and can set your own hours and prices. You would receive 50% of your services. The business would cover overhead to include scheduling, front desk reception, payment collection, and other common expenses relating to business (utilities, office cleaning, bathroom supplies, etc). All you have to worry about is treating your acupuncture clientele, treatment table sheets and supplies related to acupuncture. You also have the option to have business cards to match our office and a personalized extension that rings directly to you. You would essentially have no startup costs or overhead so this is ideal for someone that is starting out new, a second location for a seasoned practitioner or someone that simply does not want to worry about the business side of practice.

Date needed: As soon as we find the right fit. :)
