- \* is willing to volunteer their time for 2 hours once a month in our free veteran's clinic
- \* believes in our mission

Yes, we are on a mission, and here it is: we strive to make healthcare effective, affordable, individualized and sincere.

A little bit about us:

Family Tree Acupuncture is a full-service Chinese medicine clinic in the heart of

historic downtown Daytona Beach. Our offerings include a mix of private treatments (Mon/Tues/Thurs/Fri), community treatments (Wed), and a free auricular clinic for veterans (Thurs evenings). Our 2000+ square foot space includes three private treatment rooms, two large community rooms, a beautiful reception area, four office/charting nooks, and a full kitchen. We offer a full raw herbal pharmacy along with both powdered and patent formulas as well as a variety of supplements. We use electronic health records, an online scheduling system, an insurance billing service, and we have an exceptionally skilled Office Manager who helps us make it all happen. Our patient base is a mix of insurance, VA, and cash pay patients. We've established a solid presence in our community through word-of-mouth, radio interviews, workshops, our blog, and our social media presence.
